

## **Basics of Juridical Awareness - "Wallet Card"**

In 1998/1999 in cooperation with Constitutional and Legal Policy Institute (COLPI) and Open Estonia Foundation we implemented the "Wallet Card" project. The aim of the project was spreading and coordinating the new for the country juridical information about Human-, consumer-, political-, property-, labor etc laws. The practical outcome of the project was issuing two information brochures in Estonian ("Parliamentary Elections" and "Consumer Protection") and one wallet card in Russian - "What for the Estonian Citizenship?"
