

## **In-service training course for Tallinn Civics teachers**

In 2001/2002 in cooperation with Tallinn Education Department a model in-service training course of 10 events was offered to the Civics teachers from Tallinn Estonian and Russian schools. The course consisted of 5 trainings in Estonian and 5 trainings in Russian

Each seminar was dedicated to separate topic in the Civics syllabi and consisted of three different components: theoretical introduction lecture, main lecture on the selected topic of the day and practical working on the active teaching methods suitable for handling the concrete content.
