

## **In-service training seminars for the teachers of History and Civics ordered by the State Centre for Training and Methodical Work**

Due to the reorganization of the State Centre for Training and Methodical Work the remaining on the agenda announced in-service training seminars for the teachers of History and Civics were asked to arrange by the Civic Education Centre.

Altogether by the Civic Education Centre there were organized four in-service training seminars in 1996: "Formation of the Contemporary Societies", "Economical and Political Changes in the Less Developed countries", "New Concept of the History of Russia" and "Teaching Philosophy in the Schools of Estonia".
