

## Materials and Activities for Enhancing Citizen Awareness

On November 27, 2009 in Rakvere was held a student workshop for 40 participants from Rakvere Gymnasium and Rakvere Russian Gymnasium. The workshop was conducted by the methodical manual worked out by the Jaan Tõnisson Institute Civic Education Centre during the project.

The aim of the project was to bring together the students from different cultural backgrounds and to motivate them to work cooperatively. The content of students' working in 8 small mixed groups was identifying actual problems in the community life and developing the solutions to the problems.

The four hours lasting workshop was held in Rakvere Theatre premises and the insight to local problems was given by Mr Indrek Saar, MP from Rakvere.
