

Seminar "Education in Estonia: Practical Questions and the Future Perspectives"

The international seminar "Education in Estonia: Practical Questions and the Future Perspectives" held on April 17, 1998 was organized in cooperation with the Foundation of Inter-ethnic Relations (Netherlands) and was supported by OSCE. The seminar was a continuation of the educational discussion started by the seminar "The Role of Education in Integration of Non-Estonians into the Estonian Society" held in May 1997 in Tartu.

The seminar was opened by the OSCE Ambassador to Estonia Detlof von Berg. Among the speakers there were Minister of Education of Estonia Mr. Mait Klaassen, Minister of Ethnic Relations Ms. Andra Veidemann. Among the participants there were the members of Riigikogu (Estonian Parliament), university professors, representatives of the organizations of ethnic minorities, teachers.
