

Supporting of integration into society of persons, who do not have Estonian citizenship

During 2005 - 2006 Civic Education Centre participated in the joint project with Bradley Dunbar Association (BDA Estonia) for creating extensive set of educational materials for using by the persons willing to pass examination for Estonian Citizenship. The set consisting of 9 different materials (study materials about the content of Estonian Citizenship Examination for short and long training course, syllabies of the training courses, Estonian- Russian dictionary, information bulletine about the conditions of Citizenship Examination) were created by working team of authors.
