

## **UNESCO initiative "Education for All"**

In August 2002 the Jaan Tõnisson Institute received an order from the Ministry of Education for developing as apart of worldwide UNESCO initiative the "Education for All" Estonian National Action Plan. The plan was worked out at the UNESCO Chair in Civics and Multicultural Studies at the Civic Education Centre.

A special National Forum consisting of 15 people was formed and that body created the National Action Plan. The plan enables to design the pathways for overcoming the restrictions for everybody's' equal access to compulsory education in our country. The National Action Plan is available in Estonian.
